# Long Sutton And District Civic Society

## Newsletter March 2011 *Charity No 700438*

---

The last two months have been very quiet as far as functions go. Although I have been busy arranging the Classic Car and Craft Fair for May 14<sup>th</sup>. I have also been trying to sort out an affordable venue for the Old Time Music Hall concert we want to put on for National Heritage Weekend. Just to top it all, we have asked to take part in the St Georges Day Event on 23<sup>rd</sup> and 24<sup>th</sup> April. There is a need to say if we want to just have a stall on the field or if we want to take part in the parade.

As many of you may be aware Mrs Beryl Jackson has been making unfounded remarks about our film in the local newspapers. I can only assume that we have ventured into her territory as 'The Local Historian' and this has put her nose out of joint. We had the same problem when the New History of Long Sutton was produced. I have made the same offer to Beryl as I did then. I will take her to meet our history advisor and she can argue out her points with him.

There has still not been any one offering to take on the position of Secretary, so I am trying to fit this in with my other duties. Unfortunately this means that I have had to reduce the amount of paperwork to a minimum so that I can manage it. There have been no reminders individually about this meeting. The management meeting minutes are being given out tonight as is this new letter. Also There will be no cards issues for the time being, so you will need to keep tract of meeting dates from the news letters. There will not be any minutes for this meeting. Any points made here will be put on the agenda for the next management meetings.

All the Meetings are at The Market House and start at 7.15 pm

2011 meetings are as follows;

### Special Events
